1. What data do we collect?

Pet Warm may collect the following data when you contact us or request a booking:

- Personal identification information (name, phone number)
- Booking or enquiry details (pet type, breed, size, coat notes, selected service, preferred day/time, message)
- Technical data (IP address, browser type, device information, pages visited) collected via cookies or similar technologies

We do not collect payment information through this Website.

2. How do we collect your data?

You directly provide most of the data we collect when you:

- Submit a contact or booking form
- Call us regarding services or availability
- Send us a message via the Website
- Use or view our Website via your browser's cookies

We may also receive limited information if you contact us via social media platforms (only the information you choose to provide).

3. How will we use your data?

Pet Warm collects your data to:

- Respond to enquiries and manage booking requests
- Communicate about appointment times, services, and pricing
- Improve customer service and Website performance
- Analyse Website traffic and usage

Sharing your data

- We do not sell your personal data.
- We do not share your data with third parties for their own marketing.
- We may share limited data with service providers (such as hosting providers) strictly for operating the Website.

Pet Warm does not conduct online payments or credit checks via this Website.

4. Legal basis for processing

Under the General Data Protection Regulation (GDPR), we rely on the following legal bases:

- Performance of a contract - to respond to enquiries and manage bookings
- Legitimate interests - to improve our Website and services
- Consent - where you have agreed to receive marketing communications
- Legal obligation - where required by law

5. How do we store your data?

We use reasonable technical and organisational measures to protect your personal data from unauthorised access, misuse, or loss.

- Website and form data are stored via secure systems provided by our hosting provider (cg2web.com).
- Access to data is limited to authorised persons only.

6. Data retention

We retain contact and booking information (name, phone number, pet/service details, message) for 60 days from the date of your last communication.

After this period, your data will be securely deleted unless we are legally required to retain it.

7. Marketing

We may send occasional updates about our services only if you have requested or agreed to receive such communications.

You may opt out of marketing at any time by contacting us. We will stop marketing communications as soon as reasonably possible.

8. What are your data protection rights?

Under GDPR, you have the following rights:

- The right to access - request copies of your personal data
- The right to rectification - request correction of inaccurate or incomplete data
- The right to erasure - request deletion of your personal data
- The right to restrict processing - request limitation of data processing
- The right to object - object to processing under certain conditions
- The right to data portability - request transfer of your data

If you make a request, we have one month to respond.

9. What are cookies?

Cookies are small text files placed on your device to collect standard Internet log information and visitor behaviour information.

10. How do we use cookies?

We use cookies to:

- Ensure the Website functions properly
- Understand how visitors use the Website
- Improve overall performance and usability

11. What types of cookies do we use?

Our Website may use:

- Essential cookies - necessary for core Website functionality
- Analytics cookies - to understand Website traffic (if enabled)

12. How to manage cookies

You can set your browser to refuse cookies or delete existing cookies.

Disabling cookies may affect some Website functionality.

For more information, visit: www.allaboutcookies.org

13. International data transfers

We do not intentionally transfer personal data outside the European Economic Area (EEA).

If any service provider processes data outside the EEA, appropriate safeguards will be implemented in accordance with GDPR requirements.

14. Privacy policies of other websites

Our Website may contain links to external websites. This Privacy Policy applies only to our Website. If you visit another website, you should review their privacy policy.

15. Changes to our privacy policy

We keep this Privacy Policy under regular review and update it when necessary.

This Privacy Policy was last updated on: 28 February 2026.
